Olympic Dreams for Jake Miter '09

Recent graduate Jake Miter '09 has been participating in sliding sports in Lake Placid since the age of 10. Recently named to the Eastern Regional Olympic Development Team, Miter is now training in the sport of skeleton.

Miter is keeping a busy schedule of training, competing and studying at Castleton State College in Vermont. His goal is to make the US National team and then qualify for the Olympics.

Training and competition costs can exceed \$40,000 a

year. If anyone is interested in helping Jake reach this goal, you can email him at jake.miter@hotmail.com or sponsor him through the Olympic Athlete Training Fund at <http://bobsled.teamusa.org/pages/7025>.

Passing of Beloved Teacher Bro. William Sullivan

On Saturday, December 12 Brother William Sullivan passed away in Lincroft, NJ. He devoted over 60 years to the brotherhood. A beloved Math and Science teacher as well as a basketball coach Bro. William was here at La Salle from 1970 until 1997.

Says his longtime friend Bro. William Spellman, "...his unselfishness shone through." From helping his students to his fellow brothers, Bro. William was always the first to volunteer.

Our condolences go out to Bro. William's family and friends.

Wrestling in Reno

On December 18, the LSI Varsity Wrestling Team traveled to Reno, Nevada to attend the Reno Tournament of Champions. La Salle, the only team representing New York State, competed against 92 other national high school teams.

Connor Sutton (SO), Jon Clemente (JR) and Brendan

Goldup (FR) placed in the top 16 in their respective weight classes. Other wrestlers competing for La Salle were Brandyn Vooris, Justin Tuttle, Shariff Mohamed-Bishop and John Babson.

Coach Jim Sutton said that it was an honor have his team wrestle in this tournament and to do so well when wrestling against the top high school wrestlers in the country.

Cookie Day

On December 22 right before the Holiday break, all La Salle students enjoyed a breakfast of milk and cookies.

Over 200 dozen different treats were made by parents, faculty and staff. The students and staff look forward to this sweet tradition each year.

Winter Weekend

Join us the weekend of January 16th and 17th for two of our most popular alumni events that support our Athletic Programs and Initiatives. Our 3rd Annual Alumni Hockey game will take place at the ice rink at Hudson Valley Community College on Saturday, January 16th from 1:30-3:30pm. The game is followed by a Hospitality Suite back at La Salle and then guests are invited to return to HVCC to cheer on the Cadets as they play South Glens Falls.

Sunday, January 17th is our 4th Annual NFL Party. The divisional playoffs begin at 1pm and guests can watch both games on the 112" projection screen at La Salle.

Both events feature food, drink, 50/50 raffle, sports memorabilia raffle, door prizes, and a way to reconnect with your alma mater. Invite your friends, family and neighbors; you don't need to be an alum to attend. (Sunday you must be 21 or older to attend.)

The registration and sponsorship form is available at: www.lasalleinstitute.org.

Recap of Class Rep Meeting

We had a great turnout for our class rep meeting back on December 3. While noshing on pizza and beer, about 30 reps viewed a presentation from Association President Tim Whitelaw and a discussion session followed.

If you haven't heard from them already, reps will be calling all of their classmates to update information for our database. We'll meet again in mid-January to plan March's Phonathon. Huge thanks to all of the reps who've

jumped right into this project and those who volunteered to be our Decade Leaders!

Enrollment Initiative

Over 60 parents, alumni, faculty/staff and board members met in early December discuss Enrollment, the first in a series of topic discussions in effort to strategically move LSI into the future. The planning committee for this initiative is comprised of Don Reutemann, Brother Carl, Tish La Torre, Gerald Washington and

Parents' Club President Kim Seitz.

Four smaller sub-committees have been formed to make suggestions and investigate strategies in: Enrollment Marketing, Enrollment Outreach, Hospitality and Back Office Support. These sub-committees have been working hard in an effort to have information available for the follow-up meeting.

The *Enrollment Initiative* follow-up meeting is schedule for Wednesday, January 20, 2010 at 6:30pm.
