Middle School families,

This week's Character Challenge is - "Being a responsible digital citizen." This challenge alerts our students to the responsibility of making the proper decisions when it comes to the Internet, social media and text messaging. Please continue to monitor your son's activity on his cell phone and especially any social media platform that he may use. Remember that social media provides students with a potentially very dangerous world that is unedited. We do discuss with our students often the need for them to be careful what they are doing online. Please remind your son to think before he clicks "send" or "post."

Middle School March Mania will be held on Friday, March 10, 2017 from 7-9 PM in the lower gym. We are excited for our dance and trust that it will provide students with a fun filled evening of dancing and games. Please remember that students attending the dance cannot stay at school after the day ends on Friday. Students must return home and doors for the dance will open at 6:45 PM. All parents are reminded that supervision will end at 9:15 PM. The dress code for the dance is casual and the cost is \$5 per person. All La Salle students are permitted to bring one friend to the dance if they choose. Special thanks to our social committee for organizing the dance!

Last call for parents who would like to join us and present during Career Day on April 5th. Please let me know if you would like to join us to discuss your job and profession with our students. Presentations will run during the first two periods of the school day (8:22-9:01 AM or 9:05-9:44 AM). Career Day is always a great event and one that our students really enjoy.

We are looking forward to seeing many of our students at Sunday's Open House (12 PM– 3 PM). Our students are the absolute very best people to talk with prospective families and students about La Salle. Please encourage your son to attend Open House!

I hope everyone enjoys their week.

Go Cadets!
