Middle School families,

I know that this time of year is exceptionally busy. For that reason, I will keep this week's newsletter very brief.

Special thanks to Mr. Anthony Calarco for organizing this year's Middle School Spelling Bee which will be held on Wednesday morning during Periods 1, 2 & 3 in the cafeteria. The bee is always a great event for our students! Any parent wishing to attend the bee may do so!

I would like to wish your family a very Merry Christmas and Happy New Year! Please know that I view your boys as a true gift to our Lasallian community. The opportunity that you have given us to educate your son has been both a blessing and gift. Please enjoy your families and find the time for rest and relaxation. Upon our return to school on January 2, 2018 - know that I am very much looking forward to the New Year and anticipate that the Middle School will continue to reach great heights.

Please do not hesitate to contact me over the break. It is my hope and desire that all of our students are happy and finding success in some way, shape or form. If this is not the case, it is important that I know so I can put some things in place for your son when we return after break.

Merry Christmas & Happy New Year - Go Cadets!
